Description

Don't let the yummy candies catch your eye! Keep your sweet tooth away! The only way you'll win this game is to pay close attention and follow your fairy guide. Candy Castle Spot is a spot the difference picture puzzle game that takes you on a sweet story adventure, picture by picture. The candy theme will paint pretty pictures that you have to solve. It's easy to play this sweet story puzzle game. All you need is a pair of eyes! When the screen shows you two pretty pictures, look very close. There will be differences that you have to spot! Is something missing over there? Do those two candies look different? Be sure to look everywhere! Follow the fairy through the story to solve all candy castles' puzzles.

Product Features:

- Explore the candy castle and to finish the fairy story.
- Find the differences between two pictures to solve each puzzle.
- Tap the differences to score points.
- Be fast and earn more points!
- Sweet, colorful candy theme.
- Tons of images to explore and solve.

How to Play:

- Look at each picture and spot the differences.
- Tap the touch screen to select each one.
- Solve the puzzle to move to the next picture.
