Prepare yourself for a sensual, erotic experience. Perfect for couples exploring bondage or just looking for a little kink, the Obey Me Blindfold strips you of your sight to make your other senses ten times stronger.

That tickle, that tease, that pleasure that drops you to your knees is nothing compared to the orgasmic bliss you'll feel when you don this simple piece of sexual magic.

Padded on the inside, the soft blindfold has a silky inner lining that's comfortable to wear for as long as the action lasts. With a red-trimmed outer edge, you'll have an alluring, sexy look no matter what position you find yourself in. The outside is made of vegan leather and dual elastic straps provide comfort that stays in place even when you don't.

Great for bondage play, this blindfold also doubles as a great sleep mask. Try it out with your favorite floggers, ticklers, and whips for a sensory experience you won't forget.
