Shirley's of Hollywood brings you a classic that shouts sophisticated and sexy. This retro satin beaded corset is a beautiful combination of teal fabric and black lace trim, decorating the corset in a gorgeous, elegant design.

With slimming boning and a sweetheart plunge, the lingerie follows your sexy curves and slims you in all the right areas. The back laces up, allowing you to adjust the corset to cinch the waist and enhance your cleavage just how you like it.

A zipper front closure allows easy dressing and even easier removal. Take advantage of this feature to tease your lover with a slower reveal or enjoy the quick removal when your lover just can't wait!

This smooth, sexy satin corset comes with a matching g-string and detachable garters for when you want to take this look up a notch with thigh highs (not included) and heels. Your lover will love this elegant look and you'll love how beautiful you feel in this retro design.
